

## **God Has Been So Wonderful to Me**

God did not give me wealth or worldly treasure  
Instead He gave me strength to work all day,  
Contentment to enjoy my simple pleasures  
And knowledge of His presence all the way.

God has been so wonderful to me  
He gave me two good eyes with which to see;  
The beauty of this earth and sky and sea  
The Glory that His hands prepared for me.

God saw not fit to give me fame or power  
But filled my heart with joy, and peace and love  
He gave true friends to share my darkest hour  
And promises a mansion up above.

God has been so wonderful to me  
He sent His only Son to Calvary;  
There Jesus shed his blood to set me free  
And purchased everlasting life for me.
